

Financial Intelligence & Regulatory Authority

Compliance Enforcement Division | Case Ref: AML-X992-SEC

REGULATORY COMPLIANCE INFORMATION REQUEST

Date of Issue: May 2, 2026

Recipient: Chief Compliance Officer, Digital Asset Exchange Corp.

Priority: High / Urgent Response Required

1. Purpose of Notice

This formal request is issued in alignment with Global Anti-Money Laundering (AML) and Counter-Terrorism Financing (CTF) regulations. The Authority has flagged specific transaction patterns within your institution that require immediate verification and documentation.

2. Target Accounts and Entities

The following entities have been identified as participating in high-risk transaction behavior, including potential layering and structuring activities:

Account Holder	Reference ID	Risk Category	Alert Trigger
Global Trade Logistics Ltd.	ACC-881920	High	Rapid Movement of Funds
CryptoNode Wallet 0x4f...	WL-99021	Medium	Structuring (Smurfing)
Private Individual #7721	USR-22910	High	Sanction List Match (Partial)

3. Action Items Required

The reporting entity is required to submit the following data points within ten (10) business days:

- Complete Know Your Customer (KYC) profiles for the listed entities.
- Historical transaction logs for the preceding 180 days.
- Evidence of Enhanced Due Diligence (EDD) performed on high-risk accounts.
- Copies of any internal Suspicious Activity Reports (SARs) filed.

4. Submission Instructions

Please upload all encrypted files to the Secure Regulatory Portal (SRP) using your institutional credentials. Ensure all documentation is in PDF or CSV format to facilitate automated ingestion.

Disclaimer: This is a synthetic document generated for software testing and development purposes. All names, entities, and scenarios are fictitious.
