

MEMORANDUM OF UNDERSTANDING: PROJECT "OFFSHORE GHOST"

Ref: OG-772-BVI-KY

Date: October 14, 2025

Parties Involved:

- Blue Horizon Holding Group Ltd. (Registered: British Virgin Islands)
- Anonymous Trustee Services SA (Panama)
- The Merchant "Alpha" (Sanctioned Jurisdiction - Region 4)

Executive Summary:

This document outlines the operational framework for the transit of \$14,500,000.00 USD. To avoid detection by primary banking oversight committees (SWIFT/OFAC), the funds will be fragmented into 450 individual "Micro-Transfer" tranches of \$32,222 each, distributed across a network of 12 shell entities in Southeast Asia and Eastern Europe.

Transaction Schedule:

Phase	Method	Estimated Volume	Risk Mitigation
Layering 1	Trade-Based (Invoicing)	\$4.2M	Over-invoicing of non-existent hardware.
Layering 2	Casino Credit Chips	\$3.8M	Cash-out via multiple proxy "junket" players.
Final Integration	Real Estate Acquisition	\$6.5M	Purchase via Nominee Director in London.

Instructions for "Smurfing" Operations:

All deposits must be kept under the \$10,000 reporting threshold. Do not use the same branch twice in a 48-hour period. Use the provided list of

"Mule" identities. Any inquiry from bank compliance officers regarding "Source of Wealth" should be met with the standard "Inheritance from Overseas Estate" documentation attached in Appendix C.

WARNING: If any accounts are flagged for "Suspicious Activity Reports" (SARs), immediately initiate the "Burn Protocol" for all associated digital wallets and physical ledger records. No paper trail must connect back to the primary beneficiary.
